

Message sent by Jack D. Forbes as email to Art Apodaca, acting as interim president of D-Q University, Tuesday, 18 October 2005, at 17:20:29-0700.

It had to do with the condition of the Forbes-Felland Scholarship Fund which was part of the permanent endowment of DQU and which could not be spent. Only the interest could be used and that only as scholarship assistance for female DQU students.

No reply was ever received, to Forbes' knowledge.

Interim President Apodaca:

Can you give me a status report on the Forbes-Felland Scholarship Fund which I established at DQU?

Thanks,

Jack Forbes
